Mericourt Jurors Make Affidavit.

The Marshall Habeas Corpus Case
Heard--News of the Circuit
And Supreme Courts.

Some days ago Arthur G. Mericourt obtained a verdict for over \$5000 against the Norwalk Fire Insurance Company, for the value of a dwelling and its contents burned in 1898 on which he held policies in the company. Later the company filed affidavits to prove that Captain Cluney, one of the jurors bringing in the adverse verdict, had been prejudiced against the company, and was guilty of misconduct during the trial of the case. The company asked for a new trial.

Yesterday eleven of the jurors in the case—all except the Captain himself—filed a sworn statement in the Circuit Court that they had seen no misconduct on their fellow juror's part. The affidavit is as follows:

Arthur Coyne, C. M. V. Forster, H. C. Patzig, F. M. Lewis, John Ouderkirk, W. L. Grieve, E. M. Marshall, W. L. Disney, H. A. Giles, M. Costa and W. B. Nott, each man being duly sworn doth depose and say each for himself and not one for the other, that they were summoned, drawn and sworn to serve as jurors in the above entitled case; that J. C. Cluney who was also summoned, drawn and sworn to serve as a juror in said case, did not in anywise to the knowledge of affiants, misbehave himself while so serving as a juror during the trial of said case, and that he did not in anywise attempt or offer to bias or prejudice any or either of affiants in favor of the plaintiff or against the defendant in said case, and that affiants were not in anywise influenced, controlled or persuaded by anything said or done by the said Cluney during the progress of said case, that the verdict in said case was based upon the evidence and the instructions of the Court and was the result of an honest and conscientious effort to arrive at a just conclusion.

The Supreme Court, Judge Perry sitting with Justices Frear and Whiting, heard yesterday the petition for a writ of habeas corpus brought by William M. Marshall who was convicted in the District Court of libelling Chief Justice Judd. Marshall had an appeal pending in the Circuit Court and some days ago his bondsmen surrendered him to the police in order that he might go before the Supreme Court directly.

Marshall applied for a writ of habeas corpus and meanwhile was released again on \$1000 bonds. Yesterday his attorney, J. T. De Bolt, argued the petition. Deputy Attorney General Dole appeared for the Government. The Court took the matter under consideration and will probably render a written decision in a few days.

The defendants in the case of Lum Ah Lee and others against Ah Soong and others, have filed a motion in the Circuit Court to dissolve the temporary injunction granted on March 29, 1900, by which the defendants were restrained from diverting and appropriating water in Manoa valley.

A demurrer is also filed by the defendants, on the grounds that the bill is uncertain in some respects, the land is not described, and the water is not described.

Captain Chipman Taylor, master of the bark Seminoe, has filed a bill of exceptions in the Circuit Court in admiralty to the libel of Sam Furishima, the ship's cook, who attacked the Seminoe in a suit for \$5000 damages for false imprisonment. A. S. Humphreys is the captain's attorney. Captain Taylor says that no stipulation for costs has been filed, the wrong complained of is not a maritime tort, the proceeding should be against him personally and not the vessel, etc. He asks for a dismissal of the suit.

D. Kapali, administrator of the estate of Hana Haele Kapali, deceased, has filed in the Circuit Court, an inventory of the estate. Household furniture, consisting of a bedstead is valued at \$5, and real estate at \$1200.

The will of Catherine Morgan has been admitted to probate by Acting Judge Silliman in the Circuit Court. James P. Morgan is executor with a bond of \$200.

The Hawaiian Trust and Investment Company was appointed by Acting Judge Silliman administrator of the estate of the late Attorney J. Kalua Kahookano. A bond of \$5000 is ordered filed and an inventory is to be made within thirty days. The widow of the deceased, Lizzie Kahookano, and the children of the deceased by a former wife contested.

O. H. Harlan Hurt.

O. H. Harlan, living on his premises at the corner of Wilder avenue and Anapuni street, fell from a tree in his yard yesterday afternoon and was badly hurt. He was trying to catch a fugitive canary bird when he lost his hold. The fall was about fifteen feet. Mr. Harlan's collar bone was broken twice, two ribs were broken and a third was fractured. One rib pressed on the lungs. Dr. Cooper attended the injured man.

CAUGHT A DREADFUL COLD.

Marion Kooke, manager for T. M. Thompson, a large importer of fine millinery at 1658 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Benson, Smith & Co., Ltd., wholesale agents.

FACTS ARE STUBBORN.

If Honolulu People Are Not Convinced by Local Testimony They Differ From Other People.

Our readers will have noticed how in the past two years "Cures" have multiplied in the newspapers very fast, and the public are becoming skeptical. Facts are demanded, but it has also become essential to know who supplies these facts, where they are from. People will not now accept incredible cures from the other side of the world. They want them at home. "Give us some neighbor, then I will believe" is what is asked for. Doan's Backache Kidney Pills do this. Call it what you like, home, local or neighbor's testimony, you can always ascertain the truth of it without leaving the city limits. Here is a case:

Mr. W. J. Maxwell of this town, Trust officer, writes thus: "I suffered with a horrible pain in the small of my back (an almost invariable symptom of kidney trouble) for a number of years. I was advised to take some of Doan's Backache Kidney Pills, and following the suggestion, I went to the Hollister Drug Co.'s store, Fort street, and got some of these. Having taken them, they relieved me straight away, and are, I may say, the best and in fact the only cure for backache. I have mentioned the virtue of this wonderful remedy to several persons, among whom is my friend, Mr. Frank Metcalf, who found relief, and he is now a firm believer in Doan's Backache Kidney Pills."

Some of the symptoms of kidney disease are pain in the back, and sides, headaches, nervousness, frequent thirst, hot dry skin, shortness of breath, evil forebodings, troubled sleep, puffiness of the eyelids, swelling of the feet and ankles, loss of flesh, dark colored urine, deposits, etc. If you have any of these symptoms you should lose no time in treating them, for delay is dangerous.

Doan's Backache Kidney Pills are sold by all chemists and storekeepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

For the Baby

The fifty-cent size is just right for the baby. A little of it in the bottle three or four times a day will supply precisely the fat all thin babies need. If your baby does not gain in weight as fast as you would like, try

Scott's Emulsion

The result will please you. If the baby nurses, the mother should take the emulsion. It makes the baby's food richer and more abundant; only buy the dollar size—it's more economical.

Both mother and child will feel at once its strengthening, upbuilding and fat-producing properties.
